Market Overview:

INDIA-SOUTH AFRICA TRADE RELATIONS

- In 2021, bilateral trade between the two countries reached around US\$ 17 billion.
- South Africa occupies the 35th position in FDI equity inflows into India with a cumulative FDI amount of US\$ 589.76 million from April 2000 – September 2022.
- In 2022 (January 2022 – November 2022), bilateral trade between India and South Africa reached around US\$ 17,981 million.
- South Africa is the 2nd largest economy on the African continent with a GDP of USD 350 billion

INDIA-SOUTH AFRICA TRADE

India-South Africa trade in 2017-2018 (Apr'17-Feb'18) was at USD 9.380 billion with Indian Exports at USD 3.546 billion and Indian Imports at USD 5.834 billion. From a continental perspective, 44.7% of South Africa's total imports, and 32% of South African exports by value in 2017 were from/to Asian countries. India was the 4th largest importing partner and the 5th largest export destination for South Africa in 2017-18.

Indian Business in **South Africa**

Indian business has a large presence in South Africa with an investment of over USD 8-9 billion. The main areas of our engagement are pharmaceutical; IT, automobile, banking and mining, but there are still other sectors where our companies are doing brisk business. Indian businesses in South Africa have organised themselves into a platform called the India Business Forum. The Forum presently has 90 members. High Commissioner of India is the Chief Patron of this Forum. Leading Indian companies in South Africa are: TATAs, Sun Pharma, Dr.Reddys, Mahindra & Mahindra, L&T, Jindal, Vedanta, TCS, WIPRO, Infosys, Tech Mahindra, HCL, Zensar, Nihilent, State Bank of India, ICICI Bank, Bank of Baroda, EXIM Bank, Bank of India, Canara Bank among others.

FDI in **South Africa**

South Africa occupies the 35th position in FDI equity inflows into India with a cumulative FDI amount of US\$ 589.76 million from April 2000 – September 2022. According to data from the Ministry of Finance, Government of India, and the Reserve Bank of India (RBI), approved cumulative India's investments in Africa from April 1996 to March 2022 amounted to US\$ 73.9 billion. Setting up a Wholly Owned Subsidiary (WOS) is the most preferred route of investment for Indian investors in Africa, with nearly 81.6% of the total approved investments from April 2010- March 2022. Joint Ventures accounted for 18.4% of the total approved investments during the same period. Africa's manufacturing sector attracted the highest Indian investments from April 2010-March 2022. Other major sectors attracting Indian investments include financial, insurance, real estate, and business services, agriculture and allied sectors, transport, storage, and communication services.
